LONGFIELD SOLAR FARM – ACTION TAKEN BY PARISH COUNCIL TO 6th DECEMBER 2020

1. The PC has now submitted its observations on the EIA Scoping assessment to the Planning Inspectorate (PI). The PC's representations are available on the Terling and Fairstead Community website and the Facebook Village Hub.
2. The PC has still not yet seen any representations to the PI from BDC. The PC has still to advised of the views of our BDC Councillors.
3. The PC has a copy of the Great Leighs Parish Council's representations to the PI.
4. The PC is aware of the concerns expressed by our County Councillor. We understand that our MP has also made representations direct to the Secretary of State.
5. The PC has sought Essex County Council's observations but these have yet to be received.
6. The PC is aware that Newgate Communication does not appear to be responding at pace to parishioners' questions through its website. Could we ask parishioners to contact the Clerk if any questions remain outstanding for more than seven days and more importantly remain outstanding on the run up to the 14th December 2020 deadline for return of the Newgate questionnaires. The PC notes this lack of response appears to apply to the Sunnica proposal as well.
7. Parishioners are reminded that the date for return of the Newgate Communications non-statutory questionnaire is 14th December 2020.
8. The next date of the Parish Council meeting is 7.30 pm, 15th December 2020. This will be by Zoom. If you wish to attend please email the clerk: clerk@terlingandfairsteadpc.co.uk.
9. The Parish Council has placed copies of this weekly summary on all Parish notice boards, the Terling Hub on Facebook and the Terling and Fairstead Community website.
